

Oil King™ & Big Hauler™ Truck Drain

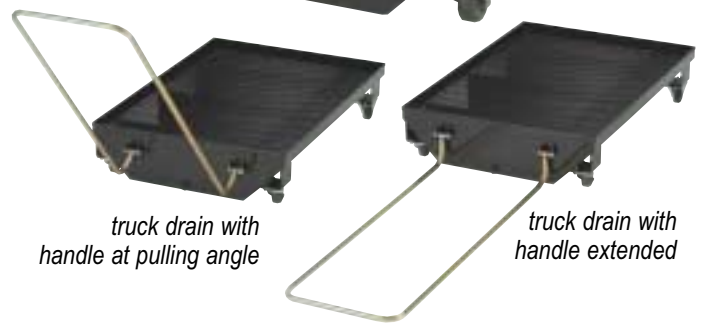

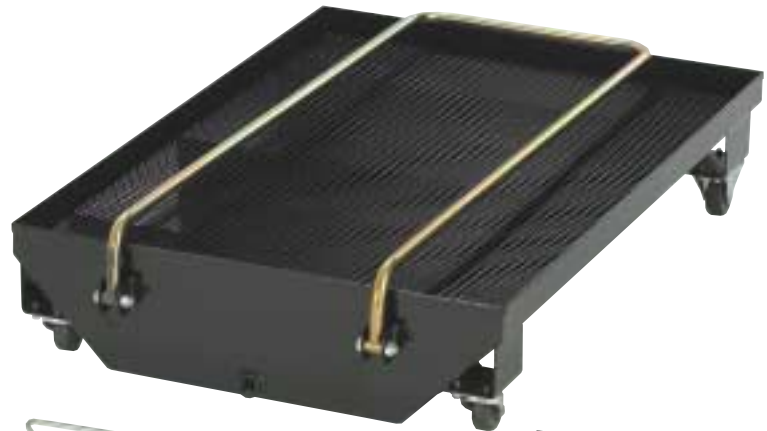

Waste Oil Receivers

The Oil King and Big Hauler: Large capacities and easy maneuverability provide maximum convenience and ease of use in the shop.

■ Big Hauler Truck Drain

The Big Hauler Truck Drain is a low-profile receiver designed for truck maintenance facilities. Its heavy-duty construction is rugged enough to withstand any shop condition. The Big Hauler boasts a large capacity and easy maneuverability in the shop.

- Receives all common automotive service fluids
- Heavy-duty 14 gauge metal construction
- 26 gallon capacity receiver
- Tuck-under wheels for easy movement
- Front swivel casters for maneuverability
- Fold-down handle
- Built-in baffles to reduce splashes and spills

■ Oil King

The Oil King receiver is designed with the busy shop in mind. Many features make this receiver easy to maneuver around the worksite, from the oversized tires that move smoothly across uneven flooring and over hoses to the push-pull handles around the top perimeter. The funnel, which raises to a maximum height of 72 inches (183 cm), can collect fluids from both a drain plug and a filter port simultaneously.

- 25 gallon tank for high-volume use
- Oversized wheels move smoothly across uneven surfaces
- Removable filter screen prevents debris from entering the tank

Oil King Technical Specifications

Length	24 in. (610 mm)
Width	24 in. (610 mm)
Height	
with bowl at lowest adjustment	3-3/4 ft. (1143 mm)
with bowl at highest adjustment	6 ft. (1829 mm)
Dry weight	54 lbs. (24.5 kg)
Collection bowl size	22 x 24 in. (508 x 559 mm)
Inspection port size	3 in. (76 mm) thread
Fluid outlet fitting size	3/4 in. port
Operating temperature range	30-120°F (-1.11-49°C)
Maximum oil temperature	220°F (104°C)
Semi-pneumatic wheel	10 in. (254 mm)
Urethane casters	3 in. (76 mm)
Filter drain compartment capacity	6 filters
Oil capacity	25 gal. (95 l)

Truck Drain Specifications

Length	42 in. (106 x 7 mm)
Width	30 in. (76 x 2 mm)
Height	
Tank	9 in. (22 x 9 mm)
with handle in storage position	11 in. (27.9 mm)
Dry weight	85 lbs. (38.25 kg)
Collection bowl size	42 x 30 in. (106.7 x 762 mm)
Minimum ground clearance	3/4 in. (19 mm)
Fluid outlet fitting size	3/4 in. port
Operating temperature range	-40-220°F (-10-104°C)
Hard Rubber Wheels	3 in. (76 mm)
Oil capacity	26 gal. (98 l)
